- a) To consider and approve installation of post on Sandy Lane for VAS
- b) To receive an update on outstanding issues

317/25 ALLOTMENTS

- a) To consider and approve purchase of numbers for plot markers
- b) To receive updates for information only

318/25 STREET FURNITURE

- a) To consider and approve recommendation for benches for replacement
- b) To consider and approve if the council would like to take on defibrillator from school
- c) To consider and approve printing of map for flagpole green

HARPOLE PARISH COUNCIL

- d) To consider and approve if new litter bins are needed
- e) To receive updates on outstanding items

319/25 CHURCH

- a) Update on burial ground

320/25 OPEN SPACE

To consider resident request that dogs are allowed on the playing field

321/25 ITEMS FOR NEXT AGENDA

DATE OF NEXT MEETING

The next meeting is scheduled for Monday 27th April 2026

Chairman – Mr F Smethers

Clerk – Mrs S Willis

www.harpole-pc.gov.uk

E-mail: clerk@harpole-pc.gov.uk

Minutes of the Planning, Highways and Infrastructure Committee meeting held on 23rd February 2026, in the Methodist Chapel, School Lane at 7.00pm.

Present – Cllrs F Smethers (chair), J Gibbins, I Haynes, S Philips

Also present – Clerk, Clement Nnadozie, Sonja Roberts (part) and 1 member of public

Meeting Start: 7pm

272/25 APOLOGIES FOR ABSENCE.

Apologies accepted for Cllr Taylor. Cllr Bess was not present

273/25 DECLARATIONS OF INTEREST IN ITEMS ON THE AGENDA.

Cllr Gibbins advised he has an allotment plot

Cllr Smethers advised one of the planning applications backs onto his property.

274/25 PUBLIC PARTICIPATION

Member of the public asked if we had considered the impact of future development at the top of Road Hill, and if there will be any traffic calming measures put in place. This has not been discussed at Council as there has been no application submitted. We had objected to the application North of Nobottle Road on traffic grounds. It was noted that West Northants Council does not seem to have any joined up thinking when it comes to larger applications and look at them on a case-by-case basis.

Cllr Roberts wanted to express concerns over access to the planning application in item 276/25b. Neighbourhood plan allows for infill but she felt that the access to these plots was not sufficient.

275/25 MINUTES

Councillors **APPROVED** the minutes of Planning, Highways & Infrastructure Committee Meeting held on 26th January 2026.

276/25 PLANNING

- a) There were no objections to planning application 2026/0544/FULL – single storey rear extension – 5 School Lane. However it was noted that this is in the conservation area and the comments of Heritage team should be considered.
- b) There was a discussion regarding planning application 2026/0355/FULL – erection of two dwellings and associated access on land to the rear – 63 High Street. There is already permission for a bungalow here and applications for 2 houses have been rejected in the past. There is concern about access onto what has become a busy road with many parked cars on Sunday now the Baptist Chapel has reopened. It was proposed there were no objections but that we suggest Highways do another review of the area as traffic volumes are different to 2022.

277/25 HIGHWAYS AND FOOTPATHS

- a) An email had been received from a resident who lives on Upper High Street asking if it was possible to make Road Hill a one way street south bound to prevent the village becoming a rat run when Nobottle Road reopens and the new housing is built. The email had also been sent to West Northants Council and Highways had made several comments as to why this would not be a good idea. The parish council agreed with these comments and felt that the majority of the village would not be in favour of this suggestion.
- b) It was agreed that a Spring litterpick is needed, but this needs good turnout from councillors to organise on the day. It was proposed that equipment is hired for 21st March and is promoted accordingly.
- c) There is flytipping on Road Hill, which is currently closed, but maybe no more than normal. There is not much that can be done other than to report this when noticed.
- d) There had been a request that there is a No U Turn sign installed on the A4500 at the junction onto Northampton Road. This has been requested in the past and highways had rejected the request. It was proposed that the question is asked again.
- e) Highways will not install grit bins to areas that are not adopted. Vistry will not install bins as they do not want the liability. Clerk to ask Vistry if the parish council can install a bin.
- f) Clerk had met with Highways and a sharp bend sign will be installed coming into the village between the Strawberry field and the sharp bend on Upper High Street. It was noted that there is a long line of parked cars on High Street, some on the footpaths, on a Sunday morning near the Baptist Chapel. Clerk to contact the chapel and ask that they ask the congregation to park responsibly.

278/25 ALLOTMENTS

- a) A report had been tabled with ideas to encourage plot holders to get more involved in the running of the allotments. It was proposed that the parish council facilitate a first meeting to see if there are enough tenants that want to set up a committee. Lots of good ideas but not all are the responsibility of the council.
- b) Wood has been found to make markers for the plots. Quotes had been found for metal numbers. It was thought that other options should be considered. Plot holders should be advised before the posts are installed and advised that they must not move them.
- c) A resident on Carrs Way has complained that the contractor has damaged his garden house roof when cutting the hedge. This has been passed to the contractors insurance company. The contractor does not admit any fault. It was noted that the school have removed some of the conifer hedge on the corner. There will be wooden fencing installed here in time.

279/25 STREET FURNITURE

- a) Various options for benches had been circulated. It was thought that metal benches would be the best option for replacements. Some are on concrete slabs to reinstatement could be costly. It was proposed that those on Glassthorpe Lane are changed first. Options of metal benches to be brought to next meeting. Cllr Haynes offered to measure current benches so we can find something similar.

It was asked about benches on Western Gate. This is something the parish council will look into once the land has been transferred.

- b) Speed Monitors still need to be installed. Member of the public asked if there was a possibility of one on Upper High Street, or Road Hill when it reopens.

280/25 CHURCH

- a) Church had been asked for more information on the ashes internment area. They also asked the council to reconsider the 50/50 split of funding this project. It was proposed that it is recommended to Full Council that this project be fully funded by the Parish using CIL funding.
- b) No further updates on new burial ground. There was a discussion about whether the village wanted land that was not consecrated.

281/25 ITEMS FOR NEXT AGENDA

No items at this time

Meeting closed 9.15pm

DATE OF NEXT MEETING. The next meeting is scheduled for Monday 30th March 2026 at 7pm

Signed:

Eastgate anti-vandal seat

From: **£674.00** Ex. VAT (£808.80 Inc. VAT)

The Eastgate anti-vandal seat is a traditionally styled yet highly robust seating solution, developed for public realm environments where durability and resistance to misuse are essential. Constructed with a solid cast iron frame and nine galvanised mild steel slats, it delivers dependable performance in high-footfall locations while maintaining a familiar, heritage-led aesthetic. Designed for long-term installation across the UK and Ireland, the Eastgate is widely specified by local authorities, landscape architects and contractors seeking a proven, low-maintenance option for exposed and unsupervised settings.

RE: Harpole Primary School Defib

From Jessica Dunk <jessica.dunk@harpole-pc.gov.uk>

Date Tue 2026-03-10 14:41

To Sally Willis <clerk@harpole-pc.gov.uk>

Burser@harpole.northants-ecl.gov.uk / 01604 830072

Just had the Burser from the Primary School on the phone.

I spoke to her a few weeks back as they have a Defib onsite and I wondered whether it was accessible out of school hours to put it on the website.

She's rang and said they've made the decision that they no longer want or need to have the defib onsite.

She said they spoke to Jo Dugless who looks after the Pavillion. He said the Pavillion have two Defibs onsite. One inside and one will be going on the wall outside the Pavillion some point next week. This is what has made the Primary Schools decision.

The Defib is currently at a company undergoing a service, and they have said it needs replacement pads and a new battery this is estimated to cost £400.

She said they'd be looking for a few hundred pound donation to the school for the defib in addition to the £400 cost of replacement parts if we wish to take it on.

She said the Defib device has been served twice in 3 years.

Kind regards

Jessica

£27.56 with delivery non laminated

£33.83 with delivery and lamination

The screenshot shows the website interface for vinylbannersprinting.co.uk. At the top, there is a navigation bar with 'All categories', a search bar, and links for 'Design Service', 'Addons Deals', 'Trade Quote', 'Contact Us', 'Login', and 'Cart(1)'. A prominent banner advertises 'BUY 2 GET 1 FREE! 33% OFF Vinyl Banners Only' and 'Free Delivery Service On Orders Above £100 FREE ARTWORK DESIGN SERVICE'. Below this is a category menu with icons for various products like Vinyl Banner, Mesh Banner, Fabric Banner, Stickers, Banner Stands, Sign Boards, Fence Banners, Flag Printing, Flyers & Posters, Printed Wear, Printed Carpets, Table Cloths, Canvas Prints, and Roller Blinds. The main product area shows a 'Vinyl Banner' with a quantity of 1. The selected size is 'N/A' and it is 'Single Sided'. The price is listed as £25.84. A 'Remove Product' button is visible. Below the product area is a 'Calculate Shipping' section with a 'Need Help? Chat with us' button and an 'Estimate Shipping' form. The 'Total Price' is displayed as £33.83.

5mm Foamex £35.63 with delivery

The screenshot shows the website interface for printed.com. The main content area is titled 'You have 1 item in your basket'. It displays a 'Just Added' section for 'Outdoor Signs' with a quantity of 1. The price is £35.63. There is a warning icon and text: 'Please upload artwork to continue with this order.' Below this is an 'Add reference' field and a 'Total weight: 329g' label. To the right is a 'Delivery address' section with an 'Add Address' button and a note: 'Already a customer? Sign in to access your addresses'. On the far right is an 'Order details' section showing a subtotal of £35.63, delivery of £0.00, and VAT of £0.00, resulting in an 'Order Total' of £35.63. A 'CHECKOUT' button and a 'CONTINUE SHOPPING' link are also present. The footer contains sections for 'Contacts' (0800 840 1430, theteam@printed.com), 'Products' (What's new?, Most popular, Wedding, View all products, Social feeds), 'Learn more' (Delivery, Paper information, Tools & services, Blog, Downloads), 'Here to help' (Contact us, FAQs, Apply for an account, Charity benefits, Education benefits), and 'About Printed.com' (Our print facility, Our environment, The Printed Group, Careers). The system tray at the bottom shows the date as 19/02/2026 and the time as 16:22.
